

Glimmerglass

OPERA

Summer Internship Program

If you are seeking a dynamic experience in the arts, **Glimmerglass Opera** is the place. **Glimmerglass Opera's** well-known internship program provides the opportunity for young professionals and students to experience first hand the fast-paced, inspired and magical world of repertory opera. A good internship is immersion in a professional environment and the opportunity to test the skills and knowledge gained in school.

Whether focusing in production, artistic or general administration fields, **Glimmerglass Opera's** internships help refine the skills needed to develop a career in the arts. Interns with Glimmerglass experience a unique combination of practical work and educational programs, each designed to further professional growth. Interns work directly with noted professionals under the guidance of supervisors and staff from many of the best theaters, opera companies and schools in the nation.

Glimmerglass Opera is a great place to start a professional career. Glimmerglass interns continue working after they leave Cooperstown. Many go on to hold senior positions at national theater and opera companies or enroll in prominent graduate programs. Join us for a summer and leave with a lifetime of meaningful contacts, opportunities and experiences.

For additional company information and available intern and staff positions, go to www.glimmerglass.org.
